

# Open Adoption Visit Ideas in Cincinnati

Adoption STAR is a not-for-profit adoption agency in New York, Ohio and Florida. The agency firmly believes that post adoption contact (open adoption), when appropriate, is what's best for all parties involved, especially the children.

Open adoption visits between adoptive families and birth families should be a time to celebrate the adoption journey and create relationships. These visits can be as simple as a picnic in the park or going swimming at a local pool, to theme parks and adventures. Below you will find an extensive list of open adoption visit ideas that have been suggested by Adoption STAR clients and staff members in the Cincinnati area.

This list can be updated regularly, so if you have any suggestions that you do not see on the list, please email [michael@adoptionstar.com](mailto:michael@adoptionstar.com) with the subject "Open Adoption Visit Project" and we will work to add your idea.
